THE FOLLOWING LETTER IS WRITTEN BY
OUR OUTGOING PRESIDENT: Mr. Howie

“As we enter a new membership year, a couple of reflections on the 24 years I’ve been around in the club’s 30 year existence...

I’ve been privileged to get to know some really great people through archery and Buck Trail Archers. We have had more members in the past than we have at this time, but I do not think we have ever had so many members so active and willing to take on so many of the club’s workload throughout the year to make the club one of the best run archery clubs around. I compliment all of you for doing a great job. Keep it up.

It takes more than one person to lead the club in the right direction. We shouldn’t look at doing things for personal accolades, but to make the club better. It’s not ME: it’s all of us helping each other out. We’ve been blessed as a club to have older members who bled the black and silver club colors who kept the club going through some difficult times in the past, to get to the present with new members with some great ideas to take the club into green and gold times.

All of you are like family to me and some of my best friends in my life. I take this time to thank all of you for your well wishes and prayers during my health trials. Good Lord willing and the creek don’t rise; I’ll be around awhile to be a thorn in your butts.

Have a successful and safe hunt this year, and thank you for letting me be one of your leaders in the past and present.”

God bless,
Mr. Howie
